

## DEPUTY PRINCIPAL'S REPORT

As we unveil this latest edition of our school magazine, I am filled with immense pride and admiration for the achievements of our students and staff. It is a moment to celebrate the remarkable strides we have made as an institution in both discipline and academic performance.

First and foremost, I wish to commend our students for their exemplary discipline. Discipline is the foundation upon which success is built, and our learners have demonstrated a commendable commitment to upholding the values that define our school community. Their diligence, respect for authority, and responsibility in their academic and social lives are truly commendable.

In addition, our students have continued to shine in academic excellence. The performance in the Kenya Certificate of Secondary Education (KCSE) examination of 2024 was nothing short of outstanding. The dedication, resilience, and determination of our students to excel were evident in the impressive results they posted. Hard work truly pays, and this success is a testament to their perseverance and commitment to excellence.

To our dear students, I urge you to continue on this path of discipline and dedication. As Mahatma Gandhi once said, "The future depends on what you do today." Let this be a guiding principle in your pursuit of knowledge, excellence, and success. Remember that resilience, hard work, and discipline will always pave the way for greater achievements.

I also take this opportunity to extend my heartfelt gratitude to our dedicated teachers. Your unwavering commitment to duty, passion for education, and tireless

efforts in guiding and mentoring our students have yielded exceptional results. The excellent KCSE 2024 performance is a reflection of your dedication and sacrifices. As a school, we deeply appreciate your efforts, and we celebrate your contribution in shaping the future of our learners.

As we look forward to another productive academic year, let us remain united in our mission to uphold excellence and build a strong foundation for the success of our students. Together, we will continue to soar to greater heights.

Mutuku Festus,

Deputy Chief Principal Kitui School

#### MESSAGE FROM THE DEPUTY PRINCIPAL – ACADEMICS

It is with great pride and admiration that I take this moment to commend our students for their outstanding discipline and stellar academic performance both in internal examinations and the KCSE. Your dedication and commitment to excellence have truly set you apart, and as a school, we celebrate your achievements both in internal examinations and the recently concluded KCSE examinations.

The remarkable KCSE results posted by the class of 2024, is a clear reflection of the hard work, resilience, and determination those students put into their studies; a true reflection of what Kitui school stands for: Excellence. Success is never accidental—it is earned through perseverance and a relentless pursuit of knowledge. You have demonstrated that with discipline and effort, great heights can be reached.

As an institution, we remain steadfast in our mission to nurture and support the students in achieving their utmost potential. We believe in providing an environment that fosters growth, curiosity, and excellence, ensuring that each of them is equipped with the knowledge and skills necessary to thrive.

To our students, may you continue embracing the spirit of hard work, discipline, and resilience, for as Colin Powell once said, "There are no secrets to success. It is the result of preparation, hard work, and learning from failure." Keep striving for the best, and never settle for anything less than excellence.

Congratulations once again, and may Kitui school continue to soar to greater heights!

Kioko Boniface

Deputy Principal – Academics Kitui School

## **SENIOR TEACHER'S REPORT**

As we roll out this latest edition of our school magazine, we take a moment to reflect on the journey we have walked together as a school. Indeed, we have achieved greatness, and we acknowledge with gratitude that it is by the grace of God that we stand victorious. His divine guidance and blessings have paved the way for our success in academics, discipline, and personal growth.

The unwavering commitment of our students to excellence has been inspiring. Through diligence, resilience, and faith, they have continually demonstrated that hard work, coupled with discipline, leads to remarkable achievements. The stellar

results in both internal assessments and national examinations are proof that determination always yields fruit.

As we move forward, I urge our dear students to remain steadfast in their pursuit of excellence. Let the words of Philippians 4:13 be a source of strength: "I can do all things through Christ who strengthens me." With faith, hard work, and a positive mindset, there is no limit to what you can accomplish.

Additionally, let us be encouraged by the words of Winston Churchill: "Success is not final, failure is not fatal: it is the courage to continue that counts." No matter the challenges that arise, keep pressing forward with unwavering determination. Your future is bright, and the world awaits the greatness within you.

May God continue to watch over us in all that we undertake and do. Let us remain united in our efforts to achieve even greater heights, knowing that with faith and hard work, success is within our grasp.

Kyalo Daniel Katee

Senior Teacher Kitui School
